PROGRAM INFORMATION

Carpinteria Children's Project at Main

The *Carpinteria Children's Project at Main* (CCPM) is committed to creating a vision of what is possible for children and families—that all children in Carpinteria will be ready for Kindergarten and will continue to succeed in school and in life.

We Believe That:

All children entering kindergarten are school-ready and succeeding by the end of third grade.

- If children are physically and emotionally healthy from birth, they will thrive.
- If children have access to high quality early learning environments during the years prior to kindergarten, the stage is set for life-long learning.
- If families and communities consider themselves partners with schools in these efforts, neighborhoods are safe, welcoming, and economically stable for children, thus allowing education to be a priority.

What We Offer:

- Prenatal Support
- Home Visitation
- Early Childhood Education
- Parent Education
- Family Literacy
- Computer Literacy
- Obesity Prevention
- Health Screenings
- Substance Abuse Prevention
- Enrollment in Health Insurance
- Newborn Baby Support
- Breastfeeding and Nutrition Education
- School Readiness
- Family Strengthening and Empowerment
- Support for Children with Special Needs
- Wellness and Nutrition Programs
- Child and Family Counseling
- Child Abuse Prevention
- Resource Information
- Integrated Case Management

The CCPM helps families set goals, establish priorities, and build the capacity to address their needs. In order to achieve positive outcomes for families in the Carpinteria Valley, services are available to all children and families.

Participating Partners:

- Carpinteria Unified School District
- Carpinteria Education Foundation
- Child Abuse Listening and Mediation
- Community Action Commission
- Council on Alcohol and Drug Abuse
- County Office of Education
- Diabetes Resource Center
- Family Service Agency
- SBC Supervisor Salud Carbajal
- SBC Public Health Women, Infants, and Children Program
- University of California, Santa Barbara
